

# NAMING OPPORTUNITIES

Beautiful plaques will enhance our facilities, prominently and permanently displaying sponsorship recognition. When you invest in a naming opportunity—whether in tribute, for a business, or in your own name—you are supporting the life-changing program of Savannah Station, leaving a permanent legacy for generations to come! A donation to Savannah Station is a forever gift, supporting people and horses whose lives are forever changed by our program. Please contact us for additional information about the benefits of your generous donation. 580-278-6657

*"The name Diamond Arena was chosen to show the riders how precious they are. Diamonds are the most precious of gems, formed under heat and pressure to become priceless. Just like our riders, encouraged, refined and developed to sparkle and shine just like priceless diamonds."*

-David and Patricia Stone

*"We jumped at the chance to name a stall in the main barn after Christopher Nelson, a dearly loved friend. What a privilege to be able to show the Nelson family our love by sponsoring a stall, while also being able to experience the blessing of knowing our gift would hopefully impact families like his."*

- David and Michelle Shaw

MEET TREYTON AND HIS HORSE, BEAUTY:

Heartbeat to Heartbeat... Treyton's heart to Beauty's heart...  
Their connection made all the difference.

The goal of the school year was for Treyton to sit still for 20 seconds... just 20 seconds. After a month of riding his horse, twenty seconds turned into 20 minutes. Sitting still for 20 minutes allows Treyton to eat lunch with his classmates, do his school work, and play a game.

Treyton found a place to connect. Someone to understand him. That was his horse, Beauty. She gave Treyton her peace, courage and her heart.
